I-I-I'm a hard-assed delinquent bitch!
Do you really wanna mess around with the leader of the Ladeez!?
I had a feeling that you would say no...
I wouldn't be caught dead following some weakling prick like you around.
I'm not going to just let you show me around for the whole world to see!
Ms. Reina!
I didn't say that...
And so, the two began to go out...
If I'm gonna go out with you, I'm gonna have to be sneaky about it!
Yandere-Yankeedere
An encounter

Love at first sight

However, this girl was a "different" type of yandere...
Quit lookin' at me like that or I'll beat the shit outta ya!!

TL note: Manabu is written with the character for "to study". It is also a girls name

TL note: I had to figure out how to romanize "Redisu" into something not retarded. If you don't like it, read some other scans. OH WAIT
